Training of Trainers Workshop (TOT): Local Government – NGO/CBO Collaboration on Participatory Planning

The Training of Trainers on Local Government –NGO/CBO collaboration in Participatory Planning workshop will be organized from 20 to 23 May in Korea. The United Nations Human Settlements Programme (UN-HABITAT) is the lead institute while the Local Government Officials Development Institute (LOGODI) is the host institute for this activity. The main objectives of the workshop will be

- To establish a core team of key participatory planning facilitators representing National Training Institutions in the LOGOTRI Region to enable them the knowledge and skills in initiating, designing and facilitating a real life participatory planning process between Local Government and NGO/CBO community, and to train other trainers in the same field of expertise.
- To help partners develop action plans as a step towards national adaptation of Participatory Planning tools and implementation of national capacity building program

The main issues/contents covered by the workshop are as follows.

- Identification of people's awareness about the situation
- Elaboration of a common vision
- Joint identification of the main problems that are obstacles in the vision achievement
- Prioritization of main problems and its analysis
- Identification and analyzing the stakeholders
- Force Field Analysis
- Strategies elaboration: Planning a course of action through shared leadership

Integrated Solid Waste Management in Southeast Asia – Call for papers

The Asian Institute of Technology (AIT), the Royal University of Phnom Penh and the World Economic Programme are organizing the conference on Integrated Solid Waste Management in Southeast Asia in Seim Reap, Cambodia from 5 to 6 July 2005.

The purpose of this conference is to provide a forum for the presentation of research pertaining to integrated solid waste management in Southeast Asia. The conference is open to academics, government officials, and representatives from non-governmental organizations and community-based groups.

Conference Topics are as follows.

1. Technical Aspects

- Generation, composition and characterization
- Waste collection and transport systems, and their optimization
- Waste reduction, minimization and source segregation
- Processing and treatment of MSW
- Disposal systems commonly practiced in Asia (landfills and incineration)

- Landfill siting and management
- Rehabilitation of existing open dumpsites and their upgradation
- Technology transfer and local adaptation

2. Resource Recovery

- Potentials of resource recovery
- Composting and waste treatment
- Systems of 4Rs (recycle, reuse, repair and recover)
- Waste trade and exchange
- Waste buy-back systems

3. Management and Finance

- Stakeholders, governance and regulatory bodies
- Policy making, policy instruments and regulations
- Policy implementation: Application of polluter/producer pays principle (PPP)
- Financing waste systems, economic viability and risk assessment

4. Public and Informal Participation and Information

- Public perceptions, attitudes and waste handling behaviour
- Public Participation and participatory planning
- Community based initiatives and involvement of non-governmental organizations
- Informal sector involvement in resource recovery
- Formalization of informal sectors in waste management
- Public information and dissemination strategies
- Privatization of waste management services

5. Special Category Waste Management

- Industrial and bulky waste management
- Hazardous industrial waste
- Medical waste
- Tourism waste

6. Environmental Impacts of Waste

- Uncollected waste, littering and scavenging
- Present problem of open dumping and related hazards on:
 - Physical environment (air, water and soil)
 - Environmental health or human environment
 - Ecosystem

7. Clean Technology

- Cleaner production of waste and control systems
- Application of Clean Development Mechanism in waste management
- Zero discharge and green technology

8. Case Studies and Lessons Learned: This aspect should be included in all of the above-cited topics where applicable. The case study should be representative of practice in the SEA region or be applicable to the region.

International Course on Decentralised Governance and Poverty Alleviation

The All India Institute of Local Self-Government (AIILSG) in association with the Kerala Institute of Local Administration (KILA) is organizing the international course on "Decentralised Governance and Poverty Alleviation" at Thrissur, Kerala, India from 5 to 11 March 2005.

The Course objectives are

- To identify, document and disseminate the innovative poverty reduction strategies and practices in local governance at global level,
- To provide a global platform for sharing experiences by experts and policy makers in the areas of decentralized planning and poverty alleviation,
- To give an overview of Gandhiji's Gramswaraj and the Indian initiatives to operationalise the concept through the Panchayati Raj system of Governance,
- To share the experiences and innovative practices of Kerala in decentralized planning and poverty alleviation share and exchange your ideas and experiences.

The course is especially useful for officials, administrators, policy makers, academicians, faculty members of training institutes, social activists and NGOs who are involved in local governance and poverty alleviation initiatives. The registration fee for the course is US\$ 350. The Organizers will provide local hospitality and conference material.

For more information, please contact

Exchange/Study Visits

Funds are available at the secretariat to carry out the exchange/advisory visits for year 2005. Institutes wishing to undertake study visits or initiate exchange visits or seeking advisory services are requested to contact the partner institute and organize the study/exchange visit/advisory service. The Nomination form can be obtained from the Secretariat. Please completed the nomination form and send to LOGOTRI Secretariat for further processing.

We would like to inform you that exchange/study visits would be organized on the TCDC basis. This means that LOGOTRI will bear the most economical and most direct international airfare and the participating (sending and receiving) institutions will bear all other costs, such as accommodation, food, local transport etc.

Please note that only members that have already paid their dues for year 2004 can benefit from this programme. Preference will be given to those members who have paid their 2005 dues as well. Allocation of funds would be made on a first come first served basis. So we urge you to apply as soon as possible.

[Back](#)

Membership Fees

As you know, LOGOTRI is run with the membership fee contributed by members. So we are pleased to remind the network members that have not yet paid their membership fee for the year 2004 to do so at their earliest convenience. **Those who cannot pay their dues will not be sponsored to participate in any LOGOTRI activities in future.** The Secretariat has already requested to all members through a letter and e-mail to send their membership fee of calendar year 2005. The detailed LOGOTRI Account Address is as follows.

PAY TO:	Citi-bank NA New York Swift Code: CitiUS33 A/C#36057869 Or AMERICAN EXPRESS BANK LIMITED New York SWIFT CODE: AEIBUS33 A/C#217166
FOR PAYMENT TO:	NABIL Bank Kathmandu. Swift Code: NARBNPKA
FOR FINAL PAYMENT TO:	A/C#120121 2000501 US\$ Current OF LOGOTRI NABIL Bank Pokhara Branch Chipledhunga, Pokhara, Nepal Tel: (977 61) 520162; 525715; Fax: (977 61) 525203 E-mail: pokhara@nabil.com.np

The Secretariat would like to request those members who normally prefer to pay their membership fees through Swift transfer, to kindly send the fees in a bank draft in favour of LOGOTRI wherever possible. If members transfer the funds to the LOGOTRI account through Swift transfer, a fee of between US\$20-28 is charged, whereas the fee for a bank draft deposit is only US\$3-4.

31st WEDC International Conference – Maximizing the Benefits from Water and Environmental Sanitation

The Water, Engineering and Development Centre (WEDC) is organizing 31st WEDC International Conference on Maximizing the Benefits from Water and Environmental Sanitation in Kampala, Uganda from 31 October to 4 November 2005.

This Conference will focus on best practice and lessons learnt on maximizing the contribution of water and environmental sanitation to the improvement of the quality of people's lives as well as on specific strategies to sustain the current gains. The conference will provide a global forum for practitioners, policy makers, academics and researchers working in the water and environmental sanitation sectors to meet and share experiences on the conference theme.

The organizing committees invite practitioners, policy makers, academics and researchers to submit full papers describing recent work in the themes list below and related subjects. Papers are invited under the following themes.

- Water resources
- Water supply
- Environmental sanitation
- Institutional issues
- Cross-cutting issues

To encourage high quality papers, WEDC will provide an award for the best papers from each theme. The deadline for paper submission is on Friday, 8th April 2005. The paper can be sent at wedc.conf@Lboro.ac.uk

The Ministry of Water, Lands and Environment of the Republic of Uganda is hosting the conference.

For more information, please contact
Mrs. Gill Evans
